The Villain of Romance

Episode

10 eps x 60 min

Cast

Cha Sunwoo, Ha Seunglee,
Choe Yeon, Shin Jeewon

A wild and youthful romance story of college students!

Villains are a must in dramas. There are all sorts of different villains in the world and genres including mystery, action, human drama, as well as in romance. The term 'the villain of romance' comes from a belief that romance is a 'learning experience'. As people take on different lessons in love, some mature, while others repeat past mistakes. In this process, the person who hurts their romantic partner becomes the villain of romance. Here is a story of two couples who are learning about love. We aim to portray 200% relatable romance growth story through their clumsy and villainous romance, in which it seems like the couples still have a lot to learn.
